

THE TAIKONAUTS

BIO

BIO 1

The French Surf Rock band The Taikonauts is actively sought by International Intelligence Agencies. According to our information, these men have already performed more than 220 concerts (France, Belgium, Spain, Netherlands, Italy, Czech Republic, Switzerland...) and released two albums on CD and vinyl LP.

Please make every effort to dissolve the band and its devastating music as soon as possible.

BIO 2

1959 : Last incident. Santa Fe, New Mexico, United States of America.

During a wrestling practice, four Lucha Libre wrestlers were kidnapped by Martian Mega-3 pirates, brought to Saturn and frozen.

2008 : First contact. Saturn, Solar System.

The Mega-3 Martians establish contact with the observation satellite Go-Goal generation 9.3. After setting the defrosting program, the wrestlers are returned to Earth.

2009 : Earth, unreal world.

Shocked by the chaotic evolution of the 21st century, the four men take control of a run-down Mexican Music Store...

Welcome to the world of The Taikonauts and their Surf Music From Outer Space!
